Dear Qasim,

On behalf of Cudeca Cancer Care Hospice, we would like to send you our sincere thanks for your generous donation of 650€ raised by the members of the Classic Car Club, during a recent charity Classic Car run.

This kind donation will go towards helping to overcome the economic deficit the In-Patient Unit currently faces and prevent the possibility of its closure by the end of 2010. From the Hospice Centre, we care for hundreds of people each year suffering from advanced cancer who need the "*Special Kind of Caring*" Cudeca offers to the patient and support to the family thanks to the professional team of physicians, psychologists, nurses and volunteers. All the support provided is completely free of charge.

For the last 18 years, Cudeca has cared for nearly 5.600 patients. From the Hospice Centre, Cudeca coordinates the following care programmes: home care visits, In-Patient Unit, Day Care Centre and many other multi-disciplinary activities.

On behalf of Joan Hunt, OBE, President and Founder, and the PR and Fundraising Team, we sincerely thank you and all the member of the Classic Car Club for the support received.

Your friendship and collaboration is essential, enabling Cudeca to continue *Giving Life to Days* of those who need it most.

With warmest regards,

**Rocío Torres**  
Communications and Fundraising Manager
